during the exercises. The degrees were conferred by Rev. Teunis S. Hamlin, D. D., pastor of the Church of the Covenant, who is acting president of the university. Dr. Hamlin delivered an address giving the graduates good counsel as to their future behavior before the world. He urged upon them the necessity for studying continually, and advised them not to allow too much professionalism to interfere with their daily work. He spoke of the value of the colleg training for the men and predicted success for them. The charge to the class was de-livered by Prof. J. M. Lamb, D. D. S., M. D. During the course of the exercises Hoff-man's orchestra rendered a well-arranged musical program. The members of the faculty of the three schools occupied seats in the choir loft directly in the rear of the stage erected for the graduates and speakers. Benjamin G. His case has been appealed, and this will not be decided for a few days at least. It is thought certain by the jail officials that a stay of execution will be granted by the President, which will postpone the event for several months. Should the appeal be decided against him an effort will be made to have the sentence ommuted to life imprisonment..
